Profile for Class of 2022

Curriculum

Our curriculum is delivered through a technology infrastructure that enhances learning in traditional and remote classroom settings. Courses available include an extensive list of Honors and Advanced Placement options. The current school policy does not provide for rank. Cumulative GPA is determined by the grade received at the end of each semester using a traditional system of: A=4.0, B=3.0, C= 2.0, D = 1.0, F=0

Advanced Placement and Honors courses, designated AP and Hon. on the transcript, are weighted by adding a .5 bonus to each grade, e.g., A= 4.5 The highest possible grade point average is 4.70.

Response to COVID-19

Our commitment to technology allowed for a seamless transition to virtual instruction beginning March 16' 2020 Teachers maintained high academic expectations and students received letter grades for Quarters 3 and 4. Full in-person learning is expected for the 2021-2022 school year.
